Measurements

All measurements are in inches.

Get a friend to help you take the following measurements

Shoulder to middle of kneecap: _____ ; add 3 then multiply by 2 = A

Chest measurement: _____ ; divide by 2 then add 1 1/2 = B

Waist to middle of kneecap: _____ ; add 3 = C

Shoulder to knuckles: _____ ; add 1 = D

Circumference of arm at shoulder: _____ ; add 1 = E

Smallest loop hand will fit through: _____ ; add 1 = F

Circumference of neck at base: _____ ; divide by 6 = G

Divide measurement G by 2 then subtract 1/4 = H

This pattern may be adapted for undertunics, longer tunics, or dresses.
